SCALE OF ASSESSMENTS FOR THE FISCAL PERIOD 1996-1997

Note by the Secretariat

Summary

On the basis of the inclusion of two new Member States and the withdrawal of one Member State from UNIDO, updates the information provided in document IDB.14/4/Add.1-PBC.11/5/Add.1 and makes proposals with respect to the revised scale of assessments for the biennium 1996-1997.

1. In accordance with Article 15.1 of the Constitution of UNIDO, "Regular budget expenditures shall be borne by the Members, as apportioned in accordance with a scale of assessments established by the Conference by a two-thirds majority of the Members present and voting, upon the recommendation of the Board adopted by a two-thirds majority of the Members present and voting, on the basis of a draft prepared by the Programme and Budget Committee."

2. Article 15.2 states that "The scale of assessments shall be based to the extent possible on the scale most recently employed by the United Nations. No Member shall be assessed more than twenty-five per cent of the regular budget of the Organization."

3. In its decision IDB.14/Dec.6, the Industrial Development Board recommended to the General Conference the establishment of a scale of assessments for the 1996-1997 biennium based on General Assembly resolution 49/19 B to be adjusted to the membership of UNIDO, on the understanding that, in accordance with financial regulation 5.6, new Members shall be assessed for the year in which they become Members on the basis of the United Nations scale of assessment as applicable to UNIDO.

4. On 20 June 1995 and 18 September 1995 the Governments of Eritrea and Cambodia, respectively, deposited their instruments of accession to the UNIDO Constitution. The scale of assessments attached in the annex to the present document reflects the inclusion of Eritrea and Cambodia in accordance with Articles 3, 24 and 25 of the Constitution of UNIDO. Both Members have rates of assessment of 0.01 per cent in the revised UNIDO scale of assessments for 1996 and 1997.

5. On 4 December 1995, the United States informed UNIDO of its intention to withdraw its membership from the Organization. The effective date of the withdrawal will be 31 December 1996. The rate of assessment for the United States was previously fixed at 25 per cent.

6. The Organization now has 168 Member States. The adjusted rates of assessment calculated on the revised coefficient resulting from the inclusion of the two new Member States and the exclusion of the United States are reflected in the annex to the present document.

V.95 31132 (E) (a\1995\pmo 7)

Distr.: 5 December 1995

7. It may be recalled that UNIDO's proposed programme and budget level for 1996-1997 as contained in document IDB.14/2 was prepared in accordance with the mandate of the Industrial Development Board in that the Director-General was requested to reflect zero growth as compared with the 1994-1995 biennium (IDB.13/Dec.14 (i)). Based on the withdrawal of the United States from UNIDO, and consistent with past practice, the budget level for 1996-1997 will be reduced, in the minimum, to offset the reduction of assessed contribution income resulting from that Member. Whenever the regular budget is reduced to offset the reduction of assessed contribution, the impact on the financial assessments of the remaining Member States is minimized but not completely eliminated due to the fixing of assessment rates of some Members, i.e. those with rates of 0.01 per cent or due to rounding differences. In this regard, additional efforts have been made to minimize these technical differences as shown in annex II.

8. Adjustments to the scale to include any State which becomes a Member between now and the closure of the sixth session of the Conference in accordance with Articles 3, 24 and 25 of the Constitution will be communicated to the Conference.

ACTION REQUIRED OF THE COMMITTEE

9. The Committee may wish to propose to the Industrial Development Board that it recommend to the General Conference the establishment of a scale of assessments for the fiscal period 1996-1997 as contained in the annex to the present document which is based, to the extent possible, on the scale of assessments adopted by the United Nations General Assembly in resolution 49/19 B. The Committee may also wish to urge Member States to pay their assessed contributions for the biennium 1996-1997 in accordance with financial regulation 5.5(b).
